State the Risks to Health from Identified Hazards

EC Classification:
May cause an allergic skin reaction

Control Measures:

Always consider non-toxic and least toxic options before application
 Always read label / MSDS before use and comply with details.
 Remove non target organisms / People during application
 Prevent access to baits and do not use where contamination of feeds / foodstuffs may occur
 To be used by trained operative (professional) only.
 Do not permit entry to drains. When used externally ensure bait is protected from rain.
 Keep in original, labelled container.
 Remain in control of substance at all times. Storage to be restricted to certified store, out of storage use to be confined to regulated vehicle.
 Records to be kept on usage and location in pest control master file.
 Operator to wear suitable PPE when handling and applying As detailed below. Records of PPE maintenance to be held centrally.
 Waste product to be retained and disposed of by Pest Control operator as per EA guidelines.

Safety Phrases:

- S1 Keep locked up. S2 Keep out of the reach of children
- S7 Keep container tightly closed
- S13 Keep away from food, drink and animal feeding stuffs
- S20/21 When using do not eat, drink or smoke
- S23 – Do not breathe gas/fumes/vapour/spray
- S24 – Avoid contact with skin
- S26 – In case of contact with eyes, rinse immediately with plenty of water and seek medical advice
- S28 – In case of contact with skin wash immediately with plenty of water and seek medical advice
- S29 – Do not empty into drains
- S/36/37 Wear suitable protective clothing and gloves
- S38 – In case of insufficient ventilation wear suitable respiratory equipment.
- S44/S45 In case of accident or if you feel unwell, seek medical advice (show the label where possible)
- S49/ S35 Keep in original container and dispose of in a safe way
- S57 Use appropriate container to avoid environmental contamination
- S60/S35 This material and its container must be disposed of as hazardous waste
- S61 Avoid release to the environment. Refer to special instructions / safety data sheets
- S62 If swallowed, do not induce vomiting : seek medical advice immediately and show the label or container

Is health surveillance or monitoring required?

Yes No

Personal Protective Equipment (state type and standard)

 <input type="checkbox"/>	Dust mask	<input type="checkbox"/>	 <input type="checkbox"/>	Visor	<input type="checkbox"/>
 <input type="checkbox"/>	Respirator	<input type="checkbox"/>	 <input type="checkbox"/>	Goggles	<input type="checkbox"/>
